 creativeedits.com

TV & Film editor with over 25 years shaping narrative across documentary, factual, and scripted content for major broadcasters in Canada, the US, and the UK. Trusted as a supervising/lead editor and producer to define story, set editorial style, and deliver broadcast ready masters. Known for clear story logic, pace, and creative problem solving, and for bringing a stylish, polished edge to every project. Recognized for elevating the look and feel of a show through strong music, graphics, and pacing choices — packaging content so it feels sharper and more distinctive.
